

Department of School Education

Sheet No.111

Career of the Day

Wednesday

Indian Army Officer

Date 09/03/2022

What is it really?

Indian Army protects India's territories and defends the country's people from territorial aggression of other nations during wartime. During peacetime, the Indian Army deploys its officers and soldiers at strategic locations to act as a deterrent to and prevent any potential attacks by unfriendly nations. Indian Army also has capabilities for search and rescue operations during national disasters or natural calamities such as flood, landslide and earthquake; capabilities for rapid evacuation of distressed people from an area which is a warzone or affected by some major disaster; capabilities for delivering relief materials to people affected by natural disasters. The army is also deployed in major law and order problems such as large scale rioting and arson.
